

## Anglican Parish of Toowong presents:

# AN INTRODUCTION TO PROGRESSIVE CHRISTIANITY

The term 'Progressive Christianity' is a movement that is growing and a topic that elicits strong emotions. But what exactly is meant by the term? St. Thomas' Toowong will be conducting an introductory course on Progressive Christianity. This will be centred on the ALPHA-style adult education course called 'Living the Questions'. Meeting twice a month from June to December 2018, there is no better way to learn about this fresh approach to the way of Jesus, indeed Marcus Borg described it as a 'manifesto on progressive christianity'. A shared meal, video presentation, and discussion, means an evening of fellowship and spiritual reflection. All are welcome!
